

DANIEL DUNAVIN CALLED TO REST

Well Known Resident Who Had Interesting Career Succumbs to Pneumonia Attack.

WAS MASCOT DURING CIVIL WAR

When But Nine Years of Age Goes With Older Brother into the Union Army.

The death of Daniel F. Dunavin, 62 years of age, and well known citizen, occurred at 5 o'clock this morning at his home, 2302 Fifth and a-half avenue, after an illness of one week with pneumonia. Mr. Dunavin worked up until 14 days ago, and had seemed to be in the best of health until that time.

The story of Mr. Dunavin's life is interesting. He was born Nov. 4, 1852, at Danvers, Ark., and was the son of Daniel and Sarah (Cooper) Dunavin, originally of Hopkinton, Ky. Both of his parents died when he was still a child.

At the outbreak of the civil war his family became divided over the great issue of slavery and two of his brothers, James and Thomas, joined the confederacy. The older brother, John, joined to fight with the north, and came to Rock Island, taking Daniel with him, the lad being only 9 years of age at this time.

In Company Mascot.

John joined Company K, 11th Illinois Infantry, which was recruited in this city. He decided to take his little brother Dan with him, and a uniform was fitted out for the lad, many alterations being required, as the outfit was cut down from a man's suit. Dan trailed the company for nine months during the war and became a great favorite with the soldiers in the company, being known as their mascot. With the prospect of a big engagement before them, the other brother became worried over the safety of Dan. A cousin of John's told him that D. T. Gillett, who resided in Honduras, had no children and would be glad to give the lad a home. The boy was then sent to Honduras and was reared by the Gillett family.

His two brothers, James and Thomas, who joined the confederacy, it was learned later, approached to the family fence during the war. John served his entire time in the conflict, returning to Rock Island after peace was declared and lived for many years with Daniel in this city. He died at the soldiers' home in Canton, Ohio.

Early in life Mr. Dunavin identified himself with the democratic party, and on his 21st birthday cast his first vote for Horace Greeley for president of the United States.

Lived Here 25 Years.

Mr. Dunavin was united in marriage July 27, 1875, to Miss Mary A. Looker at Mendota. The couple moved to Indiana, and later to Kansas, coming to Rock Island about 25 years ago. Upon his arrival here he secured employment as bookman on the Harrington lines, later working as street car motorman. For the past 12 years he had been employed in the power house at the Illinois shops.

Besides his wife, he is survived by three sons, Ed H., captain of Company K of this city; William, Louisville, Ky.; and Elmer, Washington, N. D., and one sister, Mrs. Louise Horvath, Panama, Cal. A sister, Mrs. Flora Smith, died July 11, 1906, at Chertonia, Iowa.

Robert Taylor.

News has been received here by Henry Taylor, 353 Third street, of the death of his father, Robert Taylor, who passed away April 12, at the home of his daughter, Mrs. S. B. White, Quinton, Va. The funeral was held April 15, at Quinton.

For over 20 years Mr. Taylor was a resident of Preemption, and was one of the earliest coal mine operators in this vicinity. He opened the first coal mine, known as the Taylor mine, at Coaldale, now called Matherville, in the early 1870s. Twenty-six years ago he moved to Virginia and had lived there since.

He was born in Cumberland, Eng., in 1846, and was married there to Miss

Frances Cadman, March 2, 1860. Several years later the couple came to this country, settling in Pennsylvania. He came to Preemption in 1881.

His wife preceded him in death 11 years.

He was born April 17, 1857, in Atkinson, Ill., and was united in marriage in 1887 to Miss Hilma Johnson. He had lived in this city several years and previous to that had made his home in Kewanee. He came to this city six weeks ago. He was a member of St. Joseph's church of Kewanee. He leaves the widow, one daughter, Gertrude, a son Harold and his father and mother, all of Kewanee. ROCKFORD'S MAYOR URGES DRY CAUSE

Mayor W. W. Bennett of Rockford, prominently mentioned among candidates for governor of this state in 1914, and the speaker last evening before the State Men's club of Moline, declared that if the republicans of Illinois fail to read the signs of the times and act accordingly, there is going to be another progressive party in Illinois and one besides which the first will appear to be the most insignificant kind of an upstart.

In the preliminary business session Chairman H. J. Gripp of the committee on nomination of officers of the club for the ensuing year, reported two sets of nominees for the club to vote on at the next meeting. "Just to give you something new," he added, "and forestall any possible charges of partiality." The men nominated: For President—Dr. Fred Grafund and John Sandtke.

For Vice President—John Evans and E. E. Morgan.

For Secretary—William Briggs Jr. and Alvin Swanson.

For Treasurer—Eli DeRea and R. M. Johnson.

A feature of the occasion was the presence of ladies, the evening having been selected as the one of the year when they should be honored guests of the club members.

E. D. Fisher presided at the morning meeting but in the afternoon Ernest L. Vogel, Wheaton, state president, was in the chair. The meeting this afternoon was devoted to business matters.

In the morning meeting after the registration and reception of the members, the time was given over to the welcome of the visiting Gideons. The appointment of committees was the only matter of business transacted.

At 10 o'clock devotional services were held with Joseph Justice of Chicago, leader. Salutations were then offered by Rev. M. E. Chatley, pastor of the Memorial Christian church, and by Rev. H. R. Hovey, pastor of the Second Congregational church. Motion pictures to which responses were made by Nels Ryland, treasurer of the Christian Commercial Travelers' association of America, which is the national organization and by Mr. Fisher. The session in the afternoon was devoted entirely to business. The minutes of the last convention held in Chicago, were read and President Vogel and other officers followed with brief reports of the work accomplished this year.

President's Report.

In his report, the principal one of those made by the officers and the one which shows in a general way the work accomplished by the organization in Illinois this year, Mr. Vogel urged the continuation of the work.

President Vogel said: "Beloved Brethren: Herewith I submit to you the report of the general condition and work accomplished by the Illinois State Gideons in the past year. The report of Camp No. 2, Rock Island, was prepared by Charles Boehme of this city. The local members, according to the resume of the year, placed bibles in the Genesee hotels, assisted in having the Scripture placed in each of the guest rooms in hostels in Muscatine, and have arranged for the same in Rock Island and Moline.

After reports of the standing committees were made and other business matters attended to, the election of officers and selection of a convention place for 1916 was disposed of. Shortly after 2 o'clock the adjournment was taken and an auto trip was made by the visitors through the business section of the tri-cities and other principal places of interest in the three municipalities. The jaunt included a visit to the Rock Island arsenal.

Requies This Evening. At 6 o'clock this evening the visitors will gather at the Memorial Christian church where a banquet will be held. A. B. T. Moore, national president, will be the toastmaster. Concluding the repeat extemporaneous speeches will be made by local and visiting Gideons.

An Interview With Mr. Ford

This is the most Important Advertisement We Ever Caused to be Published.—Read Every Word and then Marvel!

On a personal visit to Mr. Henry Ford we broached the subject of a possible August 1st Rebate.

(The Ford Company announced last year—as you well remember—that if their total sales reached 300,000 cars between August 1, 1914, and August 1, 1915, each purchaser during that period would receive back a refund of \$40.00 to \$60.00.)

"Mr. Ford," we suggested, "Is there anything we can say to our people with regard to the Ford Motor Company's 300,000 car rebate plan?"

"We shall sell the 300,000," was the quiet reply—"and in 11 months, a full month ahead of August 1st!"

"Then a refund is practically assured?"

"Yes—barring the totally unexpected. We are 50,000 to 75,000 cars behind orders today. Factory and branches are sending out 1800 daily."

We then said to Mr. Ford: "If we could make a definite refund statement we would increase our local sales 500 cars."

"You may say," was Mr. Ford's deliberate and significant reply to this—"You may say that we shall pay back to each purchaser of a Ford car between August 1, 1914, and August 1, 1915, barring the unforeseen, the sum of \$50. You may say that I authorized you to make this statement!"

What can we add to the above? \$15,000,000 cash coming back to Ford owners! And to prospective Ford owners up to August 1, 1915. It actually means—Ford Touring Cars for \$190—less the \$50 rebate! Ford Runabouts for \$140—less the \$50 rebate! What is there left for us to say!

PASSENGERS ROB JIBBUS DRIVERS

Three Chauffeurs on Way Home, Held Up Early This Morning in Davenport at Bridge.

WOMAN IN CASE IS CAPTURED

Pair Get in Machine on Nineteenth Street, in This City—Only \$9 Is Secured.

The first jitney bus robbery to be reported to the police of the tri-cities took place at 2:30 this morning, when three drivers, all members of the chauffeurs' union, were held up at point of a gun, at the Iowa approach to the Rock Island bridge in Davenport, and relieved of \$9 in small change. Three jitney drivers, Charles Evans, Joe Hilliard and Lloyd Magle, were all riding in one car homeward bound, after a night's work, when the robbery occurred.

Two of them had turned in their money and cars for the night, when Hilliard happened along and offered to take them home. A man and woman hailed the car at Nineteenth street in this city, and got in. All went well until the car reached the Iowa end of the bridge. The drivers were startled by a command of "hands up," from one of the passengers in the rear seat. Turning around they found a big automatic gun, right under their noses. While the man kept them covered, the woman went through their pockets, picking out all the loose change, \$9 in all.

Arrest Woman.

Still keeping them covered with the gun, the pair stepped out of the bus, and escaped toward Front street. The drivers reported the affair to the police, who went on the trail immediately. The woman in the case was arrested at 11 o'clock this morning in a rooming house in Davenport, and is lodged at the city jail, but the man has not been apprehended as yet. The woman's name is being withheld until the man is caught. Both reside in Davenport. The police have a good description of the man, and hope to have him in custody before long.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Thickness and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.
